

CURRICULUM VITA

Section -1	CURRICULUM VITAE DETAIL
1	<p>PERSONAL PARTICULARS NAME: Ahmed Aly Ibrahim Elsayed DATE OF BIRTH 28-4-1972 / AGE: 44 NATIONALITY: Egyptian PASSPORT / I.D. NO.A03199295 POSTAL ADDRESS: 19 sorya street Alexandria Egypt E-MAIL ADDRESS: aly284@hotmail.com TELEPHONE: OFFICE: 002 03 5228262 RESIDENCE:002 03 5454074 MOBILE:002 01227392194</p>
2	<p>QUALIFICATIONS PROFESSIONAL QUALIFICATION</p> <ul style="list-style-type: none"> • 1996: MBBCh with general grade Excellent with honer.,Alexandria University, Egypt. • 2001: Master degree of Oto-rhino-laryngology,general grade Excellent.,Alexandria University, Egypt. • 2003:Clinical fellowship Leuvan University. • 2006:Clinical fellowship Insubria University. • 2006: Doctor (MD) of Oto-Rhino-laryngology, Alexandria University, Egypt.
3	<p>WORK EXPERIENCE</p> <ul style="list-style-type: none"> • Present position: Assistant professor in Oto-rhino-laryngology department , Alexandria University. • Lecturer, department of Oto-rhino-laryngology department , Alexandria University: 8-1-2007–April 2012. • Assistant lecturer, department of Oto-rhino-laryngology department , Alexandria University: 24-6-2002. • Demonstrator; University hospital, Faculty of medicine,

Alexandria university : 2-3-2002

- Resident; Oto-rhino-laryngology department , Alexandria University, 29-9-1998 to 25-9- 2001.
- GP at Navy hospitals , Armed Force Institutes April 1998- June 1999.
- House officer; University Hospital, Faculty of medicine, Alexandria University :1-3 -1997 to 28-2-1998.

4

DETAILED SCOPE OF WORK

- The amount of patients seen in outpatient clinic in the university hospital and in my 2 private offices about 120 - 150 patients per week.
- I operated about 25-30 cases per month, including (minor, major and ultra major procedures).
 - 1 Emergency practice.
 - 2 Otology :Middle ear surgery, Myringotomy, Tympanomastoid operations, Tympanoplasty, Ossiculoplasty and Stapedectomy.
 - 3 Endoscopy of the upper aerodigestive tract (diagnostic and therapeutic).
 - 4 Laser surgery of the upper airway(LAUP,Laser Laryngeal microsurgery for benign lesions, Laser cordectomy for early cordal carcinoma, Laser epiglottectomy for early epiglottic carcinoma, Laryngeal and tracheal stenosis).
 - 5 Head and neck oncologic surgery including total and partial laryngectomy, TLP, Neck dissection, Surgery for sinus tumors, Thyroidectomy.
 - 6 Surgery for benign diseases of the head and neck including congenital diseases of the nasal and sinus surgery, Thyroid and parathyroid surgery, laryngeal and tracheal reconstruction.
 - 7 Pediatric otolaryngology.
 - 8 Endoscopic sinus surgery including functional surgery (FESS), CSF leak, control of anterior and posterior bleeding, SPA clipping and coagulation, Surgery of nasal polypi, Orbital and optic decompression, Navigation assisted endoscopic surgery, Inflammatory conditions (bacterial and fungal sinusitis), surgery for choanal atresia, Endoscopic Septoplasty, Mucocoeles, Endoscopic medial maxillectomy, Frontal sinus Draf techniques, Endoscopic oncologic (benign and malignant sino-nasal tumors) sinus surgery including the centripetal technique, Endoscopic Pituitary surgery and endoscopic anterior middle and posterior fossa in the midline and paramedian skull base surgeries (Neurorhinology).

5	<p><u>RESEARCH PROJECTS – LIST</u></p> <ul style="list-style-type: none"> • Bacterial Biofilm in secretory otitis media 2015 • Identification of Biofilms in recalcitrant Rhinosinusitis 2015 • Extended Endoscopic approaches for skull base lesions 2014. • Endoscopic approach for the infra temporal fossa 2014. • Radiological CT study of the Vidian canal 2014. • Radiological observation of the frontal recess 2014. • Endoscopic management of CSF leak. 1-2-2013. • Algorithm affecting surgical impact of idiopathic CSF Rhinorrhea. 25-5-2013. • The role of bacterial biofilm in sinonasal polyposis. 1-6-2013. • Comparative study of the surgical approaches to the infratemporal fossa clinical and anatomical study. 1-3 2012 • Radiological study of the malignant sinonasal tumors. 2-3-2012. • Comparative study of mintracapsular tonsillectomy versus laser tonsillectomy 5-9-2011. • The role of adenoidal bacterial biofilm in the pathogenesis of persistent middle ear effusion in children (prospective study) 25-7-2011 • Value of Ear Endoscopy in the Management of Limited Retraction pocket Cholesteatoma.2-12-2010. • The Impact of Electromagnetic Navigation System In Sinonasal Surgeries, Alexandria university. 10-10-2010 • Comparative study of endoscopic trans-nasal transsphenoidal approach with microscopic transsphenoidal approach for pituitary lesions.13-8-2009 • Chronic Rhinosinusitis: A Bacteriological Study 16-8-2009. • Doctor degree in Otorhinolaryngology entilted “Endoscopic Management of Sphenoid sinus diseases”. September 2006 • Mch thesis in Otolaryngology entitled "Comparative study of ototopical effect of Ciprofloxacin, Ofloxacin, Tobramycin in chronic suppurative otitis media" May 2001
6	<p><u>COURSES ATTENDED LOCALLY WITH DATE AND YEAR – LIST</u></p> <p>Organzier of AlexORL Congress which held anually</p> <p>Course instructor and supervisors in Alexandria FESS Hands on cadaveric dissection course from April 2005-2016</p>

–
Research in RhinoAlex October 19-21 2011 (Endoscopic Navigational Assisted Pituitary Surgery)

15th Annual conference on the diseases of the nose and the paranasal sinuses Cairo February 26-28 2010 (Endoscopic Transnasal anterior approach for petrous apex cholesterol granuloma)

Research in Alexandria International Combined ORL Congress April 21-23 2010 (Radiological Algorithm for diagnosis of CSF Rhinorrhea)

(Endoscopic management of sphenoid sinus diseases)

Research in RhinoAlex October 6-8 2010

Research in the 15th Annual conference on the diseases of the nose and the paranasal sinuses Cairo February 25-27 2009 (Algorithm for sella floor reconstruction after endoscopic pituitary surgery)

Research in Alexandria International Combined ORL Congress April 8-10 2009 (Minimally Invasive Pituitary Surgery)

Research in RhinoAlex 15-16 October 2009 (Endoscopic Diagnosis for non- invasive Fungal Rhinosinusitis)

Research in the 14th Annual conference on the diseases of the nose and the paranasal sinuses Cairo February 27-29 2008.(Endoscopic Paraseptal Transnasal Trans-sphenoid Approach to the sella).

Research in the annual summer meeting of the

department of neurosurgery Alexandria University and the Egyptian society of the neurosurgery (Endoscopic pituitary surgery). 8-10 October 2008.

7

COURSES ATTENDED INTERNATIONALLY WITH DATES AND YEAR – LIST

- Research in Milano Master Class March 2015 about combined approach for challenging frontal sinus lesions.
- Research in EndoMilano 2014 about skull base reconstruction.
- Resarch in Milano Master class March 2013 Endonasal Endoscopic Multilayer skull base reconstruction after cranoendoscopicskull base resection.
- Hands on cadaveric dissection on extended endonasal approach April 2012.
- Research in (MILANO MASTER CLASS) 25-29 March 2011 Endoscopic Transnasal anterior approach for petrous apex cholesterol granuloma)
- Laser course IN ENT Leuven, Belgium June 2003.
- FESS course , Leuven , Belgium June 2003

8

PAPERS ARTICLES PUBLISHED IN INDEXED LOCAL / INTERNATIONAL JOURNALS – LIST

.Endoscopic endonasal multilayer repair of traumatic CSF rhinorrhea. Eur Arch Otorhinolaryngol 2016 Apr;273(4):921-6.2015 Jun 6.Ibrahim AA₁, Okasha M₂, Elwany S₃.

ENDOSCOPIC APPROACH TO THE INFRATEMPORAL FOSSA.
Ahmed Youssef, Ricardo L. Carrau, Ahmed Tantawy, Ahmed Aly Ibrahim Alexandria Journal of Medicine, Volume 50, Issue 2, June 2014, Pages 127-130.

CLINICAL CORRELATES OF THE ANATOMICAL RELATIONSHIPS OF FORAMEN OVALE: A RADIOANATOMICAL STUDY.

Youssef A, Carrau RL, Tantawy A, Ibrahim AA, Prevedello DM, Otto BA, Solares AC, Filho LF, Rompaey J. J Neurol Surg B Skull Base. 2014 Dec;75(6):427-434. Epub 2014 Aug 11.

ENDOSCOPIC VERSUS OPEN APPROACH TO THE INFRATEMPORAL FOSSA.

Ahmed Youssef MD, Ricardo L. Carrau MD, FACS, Arturo Solares MD, Ahmed Tantawy MD , Ahmed Aly Ibrahim MD , Bradley A. Otto MD , Daniel M. Prevedello MD , Leo Ditzel, Filho MD, The Ohio State University Wexner Medical Center, Columbus, OH, USA, Alexandria University, Alexandria, Egypt, Georgia Regents, Medical center, Augusta, GA, USA.

Missed skull base injury during sinonasal surgery: A dangerous scenario still existing. Ear Nose and throat jornal Accepted for publication May 2012

The safe gate to the posterior paranasal sinuses:reassessing the role of the superior turbinate. European Archive of otorhinolaryngology. Early online publication on 16 November 2011.

Radical Resection of Fibrous Dysplasia Involving the Anterior Cranial Base. Journal Neurosurgery Quarterly.Accepted 31-10-2011

Binasal Endoscopic Approach to the Sellar Region: Outcome Analysis of 80 Cases. Skull Base Accepted 28-12-2011.

Endoscopic endonasal multilayer repair of traumatic ethmoidal roof cerebrospinal fluid rhinorrhea in children. International Journal of Pediatric Otorhinolaryngology. Accepted 8-1-2012

Effect of Passive Smoking on the Ultrastructure of the Nasal Mucosa In children. Aryngoscope, Accepted 19-1-2012

Endoscopic choanoplasty without stenting for congenital choanal atresia repair. International Journal of Pediatric Otorhinolaryngology 74 (2010) 144–150.

Radiological Observation on the Olfactory Fossa and Ethmoid Roof. The Journal of Laryngology and Otology (2010), 124, 1251–1256.

Evaluation of the role of high-resolution CT and MR cisternography in preoperative identification of skull base defect in cases of CSF rhinorrhea. The Egyptian Journal of Ear, Nose, Throat and Allied Sciences (EJENTAS) 2010; (11)

9

TEACHING EXPERIENCE

Teaching the ENT course for the under graduate year 4 in the medical school Alexandria university. From 2011 till present

Teaching for the post graduate Master and PhD degrees Rhinology Courses Part I&II from 2006 till present

	Teaching mini- courses and training programs regarding Endoscopic sinus and advanced endonasal Techniques for ENT specialists.from 2006 till present
10	Consultant in Alexandria police hospital. Consultant in Mostafa Kamal Armed hospital. Previous consultant in health insurance hospitals Member of Egyptian society of Otorhinolryngology. Member of friend-ship society of Otorhinolaryngology. Member of Alexandria society of Rhinology. Member of Egyptian society of Skull Base surgery. Member of Egyptian Rhinology society.
