

CURRICULUM VITAE
Ahmed Soliman Ismail

Personal Data

NAME Ahmed Soliman Ismail Soliman
NATIONALITY AMERICAN

BIRTH DATE August 1st, 1969

HOME ADDRESS EGYPT: 24 Fawzi Moazz Street, Smouha,
Building #5 5th floor, Apt.#506. Alexandria.

WORK ADDRESS **Department of Otolaryngology- Head and Neck
Surgery, Faculty of Medicine, University of
Alexandria, Alexandria, EGYPT**

PHONE Home: +203-4268712
+203-3923124
Cellular: +201144751111
+201223928384

MARITAL STATUS Married since 2002

CHILDREN Two children: 1- AbdulRahman Ahmed Soliman
Ismail
2- Ali Ahmed Soliman Ismail

E-mail ahm2005@gmail.com

Education:

1. Doctorate Degree in Otolaryngology-Head and Neck Surgery, faculty of Medicine, Alexandria University, Alexandria, EGYPT 1998-2002.
2. Master Degree in Otolaryngology-Head and Neck Surgery, faculty of Medicine, Alexandria University, Alexandria, EGYPT 1997.
3. MBChB., faculty of Medicine, Alexandria University, Alexandria, EGYPT 1992 (excellent with Honor).

Qualification	Year of passing	Board/University
Higher school Diplomat	June, 1986	Ministry of Education
M.B.Ch.B. (1 st)	September, 1990	Faculty Of Medicine, Alexandria University
M.B.Ch.B. (2 nd)	September, 1991	Faculty Of Medicine, Alexandria University
M.B.Ch.B. (3 rd)	September, 1992	Faculty Of Medicine, Alexandria University
M.S. (Otolaryngology- Head and neck Surgery)	November, 1997	Faculty Of Medicine, Alexandria University
M.D. (PhD) (Otolaryngology- Head and Neck Surgery)	March, 2003	Faculty Of Medicine, Alexandria University

Research experience:

Post Doctorate training, at The Center for Cranial Base Surgery, St. Luke's Roosevelt Hospital, NYC, NY, USA. (April 2004- March 2006)

1. The use of Alloderm in repair of CSF rhinorrhea. (2004-2006)
2. The versatility of Free Rectus Abdominis myocutaneous flap in skull base reconstruction. (2004-2006)
3. The use of Pericranial flap in nasal and orbital reconstruction. (2004-2005)
4. Strategic management of skull base meningiomas, a retrospective study. (2004-2005)

Doctorate Degree Candidate, Palm Beach Institute of Cosmetic Surgery And Longevity, Palm Beach, Florida, USA. (March 1999-January 2003)

- 1- The use of outologous Fibrin Gel in Face-lift surgery, a prospective study. (1999-2002)
- 2- Power elevator liposuction, a safer liposuction technique, a prospective study. (1999-2001)
- 3- The use of electromagnetic cautery in management of hypertrophied inferior turbinates, a re-evaluation. (1997-1999)
- 4- Evaluation of the closed technique in refining rhinoplasty, retrospective and

prospective study. (1999-2002)

- 5- The lateral facelift incision : an alternative approach for parotidectomy, re-evaluation. (1997-2001)
- 6- Evaluation of the intact columella technique in open rhinoplasty (1998-2002)
- 7- Standardization of the esthetic measures of the Egyptian nose. (1998-2003)

Clinical attachment to the Palm Beach Center of Plastic Surgery (Dr. Harold Bafitis), Royal Palm Beach, Florida, USA. (September 1999- December 2001)

- 1- Laser Facial resurfacing: an alternative technique for facial rejuvenation (1999-2001)
- 2- Increasing the safety of Abdominoplasty techniques, Analysis based on 237 patients. (2000)
- 3- Re-evaluation of microdermabrasion techniques in facial cosmetic surgery. (1999-2001)
- 4- Transaxial Endoscopic mammoplasty, establishing the technique, Analysis of 160 patients.
- 5- Exoderm Chemical Peel: safer than phenol peel? (1999-2002)
- 6- A comparative study between Power Elevator Liposuction and Ultrasonic Liposuction. A study on 398 patients (1999-2001).

Assistant Lecturer, Department of Otolaryngology-Head and Neck Surgery, University of Alexandria, Egypt

- 1- Reconstruction of the posterior meatal wall in canal down mastoidectomy. (1997-1999)

Resident, Department of Otolaryngology-Head and Neck Surgery, University of Alexandria, Egypt.

- 1- Surgical treatment of chronic suppurative otitis media, 260 patients. (1994-1997)
- 2- Differential surgical maneuvers in the management of laryngeal malignancy, 789 patients. (1994-1997)
- 3- Surgical management of hypertrophied inferior turbinates. (1995-1997)

Clinical Experience:

Internship:

Urban Period: March 1993 to February 1994 at Alexandria University Hospital, Alexandria.

Residency in Otolaryngology-Head and Neck Surgery department:

Junior resident	July 1994 to June 1995
Senior Resident	July 1995 to June 1996
Chief Resident	July 1996 to June 1997

The residency training program almost included all basic and advanced, conservative and surgical treatments for the general Otolaryngology-Head and Neck problems in one of the busiest and highly specialized Departments of Otolaryngology- head and Neck Surgery, in Egypt and the Middle East (daily outpatient examination of 200 patients and monthly operative rate of 650 patients) at the DEPARTMENT OF OTOLARYNGOLOGY-HEAD AND NECK SURGERY, UNIVERSITY OF ALEXANDRIA, ALEXANDRIA, EGYPT.

Fellowship:

- Overseas fellow at The Center for Cranial Base Surgery, St Luke's Roosevelt Hospital (affiliated to Columbia University), NYC, NY, USA (2004-2006)
- Fellow at the Palm Beach Institute of Cosmetic Surgery and Longevity, Palm Beach Gardens, Florida, USA 1999-2000.
- Fellow at Harbors ENT Associates, Palm Beach Gardens, Florida, USA 1999-2000.
- Visitor at the Otolaryngology-Head and Neck Surgery Department, Miami University, Miami, Florida, USA 2000.
- Fellow at the Palm Beach Center of Plastic Surgery, Royal Palm Beach, Florida, USA 1999-2000.

Current Position:

- Professor of Otolaryngology-Head and Neck Surgery, Faculty of Medicine, University of Alexandria, Alexandria, Egypt.

Professional training and employment

- **2021- till now:** Professor At the department of Otorhinolaryngology- Head and Neck Surgery, **Head of the facial plastic and reconstructive surgery Unit.** Faculty of Medicine, University of Alexandria, Alexandria, EGYPT.
- **2008- 2020:** Assistant Professor At the department of Otorhinolaryngology- Head and Neck Surgery, (Unit of facial plastic and reconstructive surgery) Faculty of Medicine, University of Alexandria, Alexandria, EGYPT.
- **2004- 2006:** Overseas fellow at the Center for Cranial Base Surgery, St. Luke's Roosevelt Hospital, NYC, New York, USA.
- **2003-2004:** Lecturer of Otolaryngology-Head and Neck Surgery, Faculty of Medicine,

University of Alexandria, Alexandria EGYPT.

- **2001-2002:** Doctor Degree Candidate at the Department of Otolaryngology-Head and Neck Surgery, Faculty of Medicine, University of Alexandria, Alexandria EGYPT.
- **1999-2000:** Fellow at the Palm Beach Institute of Cosmetic Surgery and Longevity, Palm Beach Gardens, Florida, USA.
- **1999-2000:** Fellow at the Palm Beach Center of Plastic Surgery, Royal Palm Beach, Florida, USA.
- **1999-2000:** Doctor Degree Candidate, Palm Beach Institute of Cosmetic Surgery and Longevity, Palm Beach Gardens, Florida, USA.
- **1997-1999:** Assistant Lecturer of Otolaryngology-Head and Neck Surgery, Faculty of Medicine, University of Alexandria, Alexandria EGYPT.
- **1997:** Clinical Demonstrator of Otolaryngology-Head and Neck Surgery, Faculty of Medicine, University of Alexandria, Alexandria EGYPT.
- **1994-1997:** Resident at the Department of Otolaryngology-Head and Neck Surgery, Faculty of Medicine, University of Alexandria, Alexandria EGYPT.
- **March-June 1994:** General Practitioner at the Ministry of Health, Alexandria, EGYPT.
- **1994:** Obtained the License of Medical Doctor (MD).
- **1993-1994:** Internship at Alexandria University Hospitals, Alexandria, EGYPT.

Teaching Experience:

- Two and half years of teaching experience in senior and chief residency to junior doctors, house officers and interneers.
- Three years of teaching experience as Clinical demonstrator and Assistant Lecturer positions to residents, house officers, interneers and undergraduate medical students.
- Nineteen years of teaching experience in Doctorate Degree Student position to residents, interneers and undergraduate medical students at Alexandria University, EGYPT.

Societies:

Member of:

- The Egyptian Association of Otolaryngology-Head and Neck Surgery since 1997.
- The Alexandria Otolaryngology friendship Society since 1995.
- The Egyptian Society of Rhinology, since 2008.
- The Egyptian Society of Facial Plastic and Reconstructive Surgery since 2000.
- The American Academy of Cosmetic Surgery since 2001.

Awards and Scholarships

- Alexandria Medical Syndicate Award 1993, for the distinction in M.B.B.S. exam.
- Alexandria Sporting Club Award 1994,
- Alexandria Medical Syndicate Award 1997, for the distinction in the Master Degree(ENT) exam.
- Alexandria Medical Syndicate Award 2003, for the distinction in the Doctorate Degree (ENT) exam.
- Alexandria Sporting Club Award 2004.

Languages:

- Arabic (Native language)
- English (Fluent speaking and writing)

Presentations:

Symposiums

1. The new classification of Jugular Body Tumors. Seminar read at the 17th International Conference of ENT Department, faculty of Medicine, University of Alexandria, April 24th 1998.
2. The effect of Laser Turbinoplasty on the Submucosal cellular composition of the hypertrophied inferior turbinates in allergic patients. Seminar read at the 18th International Conference of ENT Department, Faculty of Medicine, University of Alexandria, April 17th 1999.
3. Endoscopic subperichondrial approach for the small and medium sized septal perforation. Seminar read at the 19th International Conference of ENT Department, Faculty of Medicine, University of Alexandria, April 21st 2000.
4. A Comparative Study between Superficial and Sub-SMAS Approach in Facelift Surgery. Seminar read at the 20th International Conference of ENT Department, Faculty of Medicine, University of Alexandria, April 18th 2001.
5. Tongue in Groove Technique in the treatment of over projected nasal tip. Seminar read at the 22nd International Conference of ENT Department, Faculty of Medicine, University of Alexandria, April 24th 2003.
6. Anatomical considerations in rhinoplasty. Seminar presented at the 8th Rhinoplasty course held at the Faculty of Medicine, University of Alexandria, Egypt April 17th 2007.
7. Management of Nasal Base in 2ry Cleft Lip-Nose . Seminar presented at the 9th Rhinoplasty course held at the Faculty of Medicine University of Alexandria, April 7th 2008.
8. Dermal fillers for facial regeneration (moderator) The facial aesthetic session at the 26th Alexandria Combined Otolaryngology Conference, April 8th 2008.
9. Facial fillers: Long lasting versus permanent fillers. Clinical seminar presented at the 2nd

facial plastic course at the Department of Otolaryngology- Head and Neck Surgery, Ein Shams University, Cairo, EGYPT May 21st 2008.

10. Nasal Base Narrowing. Seminar presented at the 27th Alexandria Combined Otolaryngology Conference, April 8th 2009.
11. Nasal septum in rhinoplasty. Seminar presented at the 2nd Combined Rhinoplastic Surgery Meeting, Tanta University, May 14th 2009.
12. Nasal Base narrowing: The advancement alar flap technique. Seminar presented at the American Academy of Otorhinolaryngology meeting in San Diego October 3-7 2009.
13. Transoral midmandibular hemiglossotomy direct anterior approach to clivus and anterior cervical region. Seminar presented at the American Academy of Otorhinolaryngology meeting in San Diego October 3-7 2009.
14. The use of pericranial flap with titanium mesh in orbital reconstruction. Seminar presented at the American Academy of Otorhinolaryngology meeting in San Diego October 3-7 2009.
15. Regular presentation of ENT topics at the Annual ALEXORL conference held by the Department of Otolaryngology Head and Neck Surgery, Faculty of Medicine, University of Alexandria. This participation is constant since 2003 till now.

Publications:

THESIS:

- MASTER DEGREE THESIS: Faculty of Medicine, University of Alexandria, 1997.

SUBJECT: A COMPARATIVE STUDY OF DIFFERENT SURGICAL TECHNIQUES IN THE TREATMENT OF INFERIOR TURBINATE HYPERTROPHY.

- DOCTOR DEGREE THESIS (DMSc)(PhD), faculty of Medicine, University of Alexandria, 2002.

SUBJECT: THE ROLE OF PLATYSMAL SURGERY IN NECK REJUVENATION.
